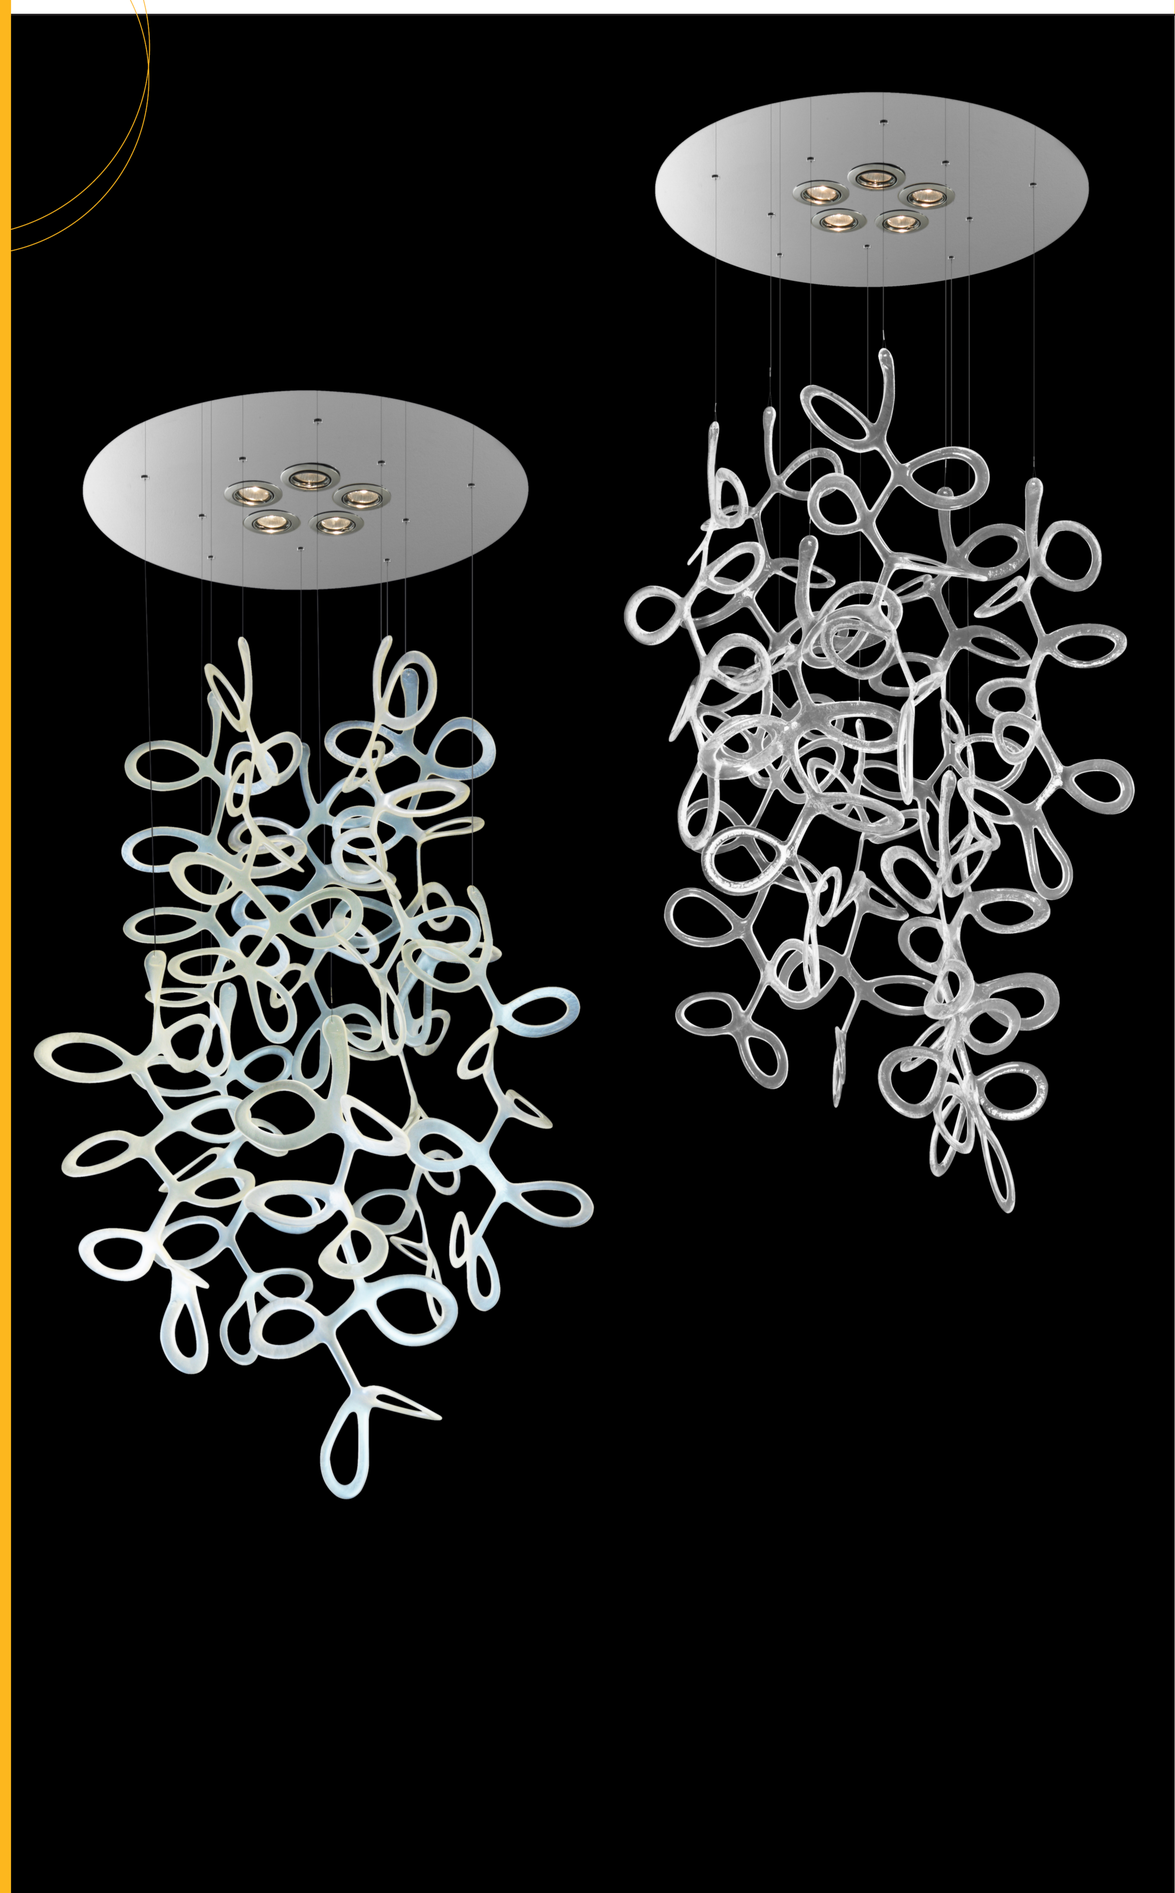
Loop



Voltage
110V

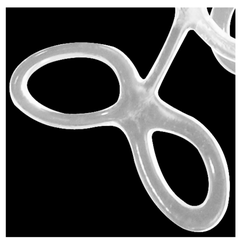
Drop Length
30" - 102"

Description
Mouth-blown in Venice, Italy, the individual strands of Loop form an organic design either shimmering with opalescence or simply clear. Ceiling canopy is polished stainless steel.

Additional Information
The Loop Suspension consists of 10 hanging elements. Each element measures 23" in length and is suspended from 72" of ultra thin wire.

No two Loop elements are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty.

Shade Colors



Clear

Opaline
