Table Lamps > Dune + Dune Due

Dune Due shown with Black/Sand Shade
with Satin Nickel Hardware

Dune shown with Sand Shade with
Satin Nickel Hardware

Voltage
110V

Description

Mouth-blown in Venice, Italy by glass blowers who are the very best at casing glass in multiple, thin layers. The shade is then ground in various patterns. These cuttings reveal the inner colors and create accents on the shade. Satin nickel hardware.

Additional Information

Dimmer is located on base of Dune Lamp.

No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty.
