Handmade in Italy  
Mounts directly to a standard Junction box  
Cable length 6' (field adjustable)  
UL Components

### MEASUREMENTS

10"W x 18.5"H

### Weight

3-lbs

"Pelota," the name references the Basque game which uses a racket on an enclosed wall court. Here "Pelota" becomes a fanciful suspension, colorful and snazzy, focusing light down onto a table, a chair, a bar top. The fixture is about form and color. Orange, blue and taupe combine in two versions; made from ceramic with a matte finish by Venetian artisans,

Italy at its most creative!
