	Handmade in Italy Lamp is included Mounts directly to a standard Junction box Cable length 6' (field adjustable) UL Components
MEASUREMENTS	
12"Dia x 18"H	
Weight	
17-lbs	

Glossy white ceramic feels modern and new. The hint of coral formations on a reef forms a band of detail along the bottom. Big, bold and gutsy, this fixture dominates a space while providing excellent light.

Designed by Lorenzo Zanovello and made by Italian artisans in the Veneto.
