UL Components

MEASUREMENTS

28"L x 13"W x 7.5"H

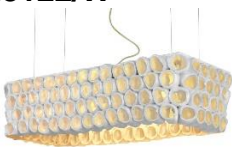

Weight

49-lbs

A fabulous statement fixture, the rectangular Reef is sure to be a conversation piece in any setting. Over a dining table, over a cocktail table, lighting a hall, this is a "wow" suspension light. Designed by Lorenzo Zanovello, the suspension is entirely hand-made in glossy white ceramic by Venetian artisans in Italy. Each piece varies slightly and reveals the hand of the artisan. The Reef is truly a sculptural "tour de force." Available in two sizes.
